

Objectives

1. To provide an opportunity for area CERT and MRC teams to meet and train together before a real incident.
2. To review skills that may be needed in the field during a response to a disaster event.
3. To learn how to help, support, and encourage those that are emotionally affected.

The Community Emergency Response Team (CERT) program educates volunteers about disaster preparedness for the hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. CERT offers a consistent, nationwide approach to volunteer training and organization that professional responders can rely on during disaster situations, which allows them to focus on more complex tasks. Through CERT, the capabilities to prepare for, respond to and recover from disasters is built and enhanced.

Emergency Response Team (CERT) And
Medical Reserve Corps (MRC) members

*Sponsored by the
Hubbardston CERT*

Program Schedule

8:30am Registration

9-9:50am

1. Scene Safety –PPE
2. Pet Sheltering

10-10:50 am

1. Psychological First Aid
2. Preparedness on a Zero Budget-

11-11:30am

Break– Lite Lunch

11:40-12:30 pm

1. Special Needs
2. ICS Made Easy

12::40-1:30 pm

1. Cribbing
2. Fire Safety

Workshops

1. Preparedness on a Budget– Being prepared doesn't have to break the bank. Learn ways to prepare for your family and how to share emergency preparedness with others on the cheap.
2. Incident Command System–What is that? ICS is made easier to understand, includes a simple practice exercise.
3. Scene Safety and Personal Preparedness Equipment (PPE) Discussion about possible issues surrounding different hazards.
4. Psychological First Aid– How to listen and help someone in need of some encouragement following a disaster.
5. Special Needs–Helping someone with special needs requires some special knowledge.
6. Pet Sheltering– Setting up an area for pets of all kinds
7. Cribbing– A demonstration workshop showing how to lift fallen walls off of a victim.
8. Fire Safety– A demonstration workshop on fire safety and using an extinguisher.

Displays on other topics will be available to browse during break and after workshops. Family and Community invited to come and learn about CERT and MRC from 11:30 to 2 pm.
